## Dm riff

**G**                    **F**                    **Dm**  
My God, my Father, while I stray  
Far from my home in life's rough way,  
O teach me from my heart to say,

**G**    **F**    **Em** **Dm**  
**"Thy will be done." 1x**

Though dark my path, and sad my lot,  
Let me be still and worry not,  
Or breath the prayer Divinely taught,

**"Thy will be done." (Repeat) 2x**

Let but my fainting heart be blest  
With Your sweet Spirit for its Guest,  
My God, to You I leave the rest;

**"Thy will be done." (Repeat) 4x**

Renew my will from day to day,  
Blend it with Yours, and take away  
All that now makes it hard to say,

**"Thy will be done." (Repeat) 4x**
